Vol. 2 — No. 13

SAINT JOSEPH'S COLLEGE, CALUMET CENTER

January 25, 1962

ST. JOE'S '61-'62 BASKETBALL TEAM will travel to East Chicago, January 29, to help March of Dimes Crusade. Parents Club was instrumental in arranging this game. Basketball team includes (front row, left to right): Art Voellinger, John Lau, Jerry Patchman, Jim O'Donnell, and Phil Bergen. Back row, left to right: Jim Crowley, George Post, Lynn Weber, Mickey Clark, Bill Braunbeck, and John Sorg.

STUDENT UNION PROMOTES GAME TO HELP POLIO FOUNDATION

St. Joseph's Calumet Center Student Union, in conjunction with the Calumet Chapter of the Parents Club, is sponsoring a basketball game, Monday, Jan. 29, 1962, in the Washington High School Gymnasium, between the Pumas of St. Joseph College and the team from Illinois Wesleyan. The proceeds of this game will go to the March of Dimes campaign and the St. Joseph's Calumet Center building fund.

Arrangements for the gym and those who will work at the game have been made by John Patrick, Assistant Superintendent of the East Chicago schools. Patrick said that all the people who will work the game have volunteered their services without pay that the proceeds for the funds would be more.

Impetus for this project was begun by the Calumet Chapter of the Parents Club with Justin Seroczynski, President. The efforts of the Club have been bolstered by the work of the Calumet Center Student Council officers.

The program will begin at 6:30 p.m. with a preliminary game between the St. Joe Freshmen and Illinois Institute of Technology Frosh.

During the intermission there will be a special program featuring Mr.

John Baratto, coach at Washington High School, who was himself a polio victim.

Tickets for the game are \$1 and can be obtained from the Calumet Chapter of the Parents Club, the students of the Calumet Center, and at the gate.

DEAN'S LIST

Students from the Calumet Center who are on the Dean's List at the end of the first semester are:

JUNIORS: Paul G. Brindley (3.60), Andrew R. Dougherty (3.80), and Kathleen Ann O'Toole (3.60).

SOPHOMORES: John F. Kruzan (3.62), Thomas E. Leonard (3.60), and Ida Jean Windell (3.53).

FRESHMEN: Madeleine Frechette (3.62), Charlotte Kincius (3.54), Barbara H. Salstrand (3.63), Ilona Mae Werner (3.61), and Elizabeth Ziemniak (3.67).

Dr. Dean's Paper Read at Convention

"The Conference Method: Panacea or Paradox?", a research paper written by Dr. Richard L. Dean, Speech Instructor at St. Joseph's College Calumet Center, was one of the main papers presented at the annual convention of the Speech Association of America held in New York, Dec. 29-31.

The paper, which is a critique of the conference method and its integral aspects of democracy and decision making, appeared in the December issue of the "Journal of the American Society of Training Directors" in 1959. The research paper material of the paper was based on Dr. Dean's doctoral thesis.

The convention delegates were composed of high school and college speech instructors whose main purpose was to discuss new methods of improving instruction.

Since Dr. Dean was unable to appear at the convention, his paper was read for him by one of the convention officers.

Calumet Center Begins Second Term

St. Joseph's College Calumet Center began its second semester of the 1961-62 school year, Thursday, Jan. 11.

At this time, with late registrations still being accepted, the exact number of students and credit hours is not available. However, based on the number of registrations already received and the expected number of late comers, it seems there will be about a 60 per cent increase in the number of credit hours being taught this semester as compared to the same period last year.

The number of students attending the Center during the second semester approaches the 650 mark. This represents a slight decrease from the number of students attending in the previous semester. This decrease, however, is normal and not quite as great a decrease as was expected or is experienced in other colleges.

Calumet Center 'Doubles' Its Number of Graduates

Saint Joseph's College Calumet Center has doubled the number of its graduates with the close of the first semester on Dec. 16, Rev. Henry J. Martin, C.P.P.S., dean and director, has announced.

Paul F. Larson, East Chicago, became the second graduate of the Calumet region's only degree-granting college when he completed his studies for a Bachelor of Arts degree in industrial management.

Mrs. Patricia Scholl, Hammond, became the first graduate of the new 4-year degree granting college last spring when she was awarded a Bachelor of Arts Degree in Education.

MARRIED AND the father of a 2½-year-old son, Paul David, Larson says it would have been "almost impossible" to complete his college plans had it not been for the expansion of Calumet Center into a full degree granting college. He is the

son of Mr. and Mrs. Carl F. Larson of East Chicago.

THE LATEST CALUMET Center graduate plans a career in industrial relations management.

FATHER SMOLAR is shown just before Communion. During the past semester, the practice of having Noon-day Mass was started.

Minutes Student Union Meeting

The meeting started at 12:15 p.m., Tuesday, Jan. 16, with a prayer led by Philip Seroczynski, president of the Student Council.

The topic to be discussed was the basketball game scheduled for January 29, 1962. The price of the tickets will be \$1. There are 3,500 tickets printed. Gym door will be opened at 6 p.m. The preliminary game will be at 6:30 p.m. between St. Joseph's frosh and Illinois Institute Tech. frosh. The main game will be at 8 p.m.; St. Joseph's vs. Illinois Wesleyan.

The following items will be furnished at no charge for the game:

1. the gymnasium.
2. 40 high school ushers.
3. man in each locker room.
4. a scoreboard operator and time keeper.
5. guards for all the doors.
6. 12 teachers to supervise ushers.
7. refreshment vendors.
8. Police and Firemen.
9. Civil Defense to handle parking.

The following jobs have already been done:

1. To date we have a little over 5,700 tickets in circulation.
2. We also have 200 posters scattered around the region and 200 more are on the way.
3. Arrangements have been made at Bishop Noll High School about the game and tickets are being sold there by Misses Joanne Kochis and Mary Lou Skafish. This will continue throughout the week.
4. Mr. Loren Tate of the Hammond Times is writing a series of articles about our game. Also George Roche has agreed to devote his entire sports column to it for the next two weeks.
5. Dee Shepherd has arranged for publicity as often as possible on WJOB. Walter Schultz, senior class president and Philip Seroczynski, council president, personally visited WLS in Chicago and arranged for more publicity on the Dick Biandi Show and also 6 times a day on a special Community Communicay show. They then proceeded to WGN and convinced Wally Philips to do the same. Walter Schultz called Irv Kupcinec of the Sun Times and we are almost positive of publicity from him in his daily column.
7. Tickets were sold down at the Rensselaer campus in their cafeteria and also at the Butler game there Jan. 16.
8. The city representatives from the Parents Club will handle the distribution of tickets to merchants for sale to the public. Posters will also be distributed.
9. Letters have been sent to the parents of each student explaining the purpose of the game and also it will contain five tickets for them to sell.

PROCEEDS from the game are going to the March of Dimes. After the basketball game there will be a dance with a small entrance fee of 25¢ and everyone is invited.

Presently there is a request for six people to help sell tickets at the entrance of the gym before the game. Those interested kindly contact Philip Seroczynski.

Respectfully submitted,
/s/ LONA MURZYN, Secretary

Walking through the corridors, I've noticed plenty of new faces; a hearty welcome is extended to each and every one.

It's getting so a person can't find a place to sit in the reading room, any longer. Could it be that semester grades brought about many New Year's resolutions?

Santa Claus brought a very pleasant present to the Haviley household. Mike is now a proud Papa of a baby girl. Congratulations to the proud parents.

JOE MODJESKI awoke Christmas Day and found a box of Gillettes in his stocking. Didn't hardly recognize you, Joe.

Dianne Miller and Bill Wides broke the New Year in in a great way, by becoming engaged. Couldn't have happened to two nicer people. Best of luck to both of them.

I can't adjust myself without the accompaniment of Miss Scozzaro. She is back at Indiana University, working on an advanced degree.

Everyone is anxiously awaiting to see if anyone made Dean's List this past semester.

WILL I SEE YOU at the game next Monday? The proceeds will go to the March of Dimes, so take a break from school and enjoy yourself.

I'm sure Bob Horn will be there. That is if he gets his new false teeth in time. That sure is a dandy Bob.

A pat on the back goes to our new snow plow, Dennis Matusiak. We're all behind you, Den. So keep clean!

The former Barbara Przybysz and Joc Parot were married Jan. 6 at St. Florian's parish in Hegewisch. Barb was typist for **SHAVINGS** last year and Joe was editor. Who says **SHAVINGS** isn't influential?

My sympathy goes to Mar Stokes. Her last week of Christmas vacation was spent recuperating from three weeks of nothing but twisting!

We'll see you in the reading room
—Seymour

Editorial

Next Monday, Jan. 29, the basketball teams from St. Joe in Rensselaer will appear at East Chicago Washington. The Varsity will vie against Illinois Wesleyan, and the frosh will face Illinois Institute of Technology.

This is a benefit game, with the proceeds going to the March of Dimes. The cost of tickets is \$1, and they can be purchased from any Student Council officer, or at the game.

Area basketball fans will remember such names as "Beaver" Marcinek, Ruben Rodriguez, John Render, and Jerry Patchman. All four play for the Pumas. Marcinek, who attended the Center last semester, is currently starting for the Puma Ave and in his second game for the Rensselaer team was high point man against Ball State. He starred for the Bishop Noll Warriors, sectional champs in '57.

Rodriguez was on the starting five at East Chicago Washington, the state champs in 1960. Jerry Patchman, 6' 5", the starting center for St. Joe, starred at Dyer High School, along with Render. Besides these area products, many eyes will be focused on Jessie Jackson, the frosh guard who was an all-stater two years running, in his native state, New York.

Besides seeing all this top quality talent, and knowing your donation will go to a very worthwhile cause, there will also be a dance afterwards, which will be open to all college students.

So, why not treat yourself to an evening at the ball game, and know that the money will be going to the polio research cause—the March of Dimes.

STRIKES & SPARES

The second term's bowling season was initiated this past Sunday but due to the inclement weather attendance was held down so team competition was postponed until the following Sunday.

But the bad weather didn't stop many of the league's enthusiastic membership. They came to bowl and bowl they did. One-third of those present rolled series of "500" or better.

Jim Kick squeezed out honors of high game with a 205 followed closely by Wally Olesek, 203, and Wally Keilman with an even 200. Mr. Olesek had high series with 567 followed by Jim Kick 526, Wally Keilman 522, and Harry Bigda 518.

NOTE: Anyone interested in joining the league is encouraged to do so soon. There have been a certain amount of drop-outs and only those open spots will be filled.

Roving Reporter Christmas Party Huge Success

What is your New Year's resolution for 1962?

JIM MAZUR (Sophomore)—"I resolve to start my term papers early so that when the end of the semester gets here I'll have time to study for the finals."

ROBERT FIGAHS (Junior)—"I resolve to change my study habits to make my work here easier."

ED LATEK (Junior)—"I resolve to make an honest effort to become more engaged in interests and extra-curricular activities of this school instead of just punching in for a certain number of credit hours."

MARCIA OBREMSKI (Freshman)—"I resolve to be quiet in the lounge when a certain senior guy is present."

KATHY TILKA (Freshman)—"I resolve not to argue with my sister."

TOM KUCHTA (Junior)—"I resolve to try to change my present attitude towards college studies by striving for knowledge rather than grades."

BILL ROSTA (Freshman)—"I resolve to stop sitting in the lounge and to start doing some homework (but I doubt if I can do it)."

CHRIS CHANDLER (Junior)—"I resolve not to talk so much."

NARCINE SHERPETOSKY (Freshman)—"I resolve that I will help a certain sophomore boy in business to get to his classes on time."

NAN HEDINGER (Freshman)—"I resolve to cook better meals for my husband."

ROVING REPORTER—"I want to take this opportunity to wish you all a happy New Year and I resolve to interview as many different people as possible for the Roving Reporter."

Despite inclement weather, a large group of students attended the Student Council's Christmas party, held Dec. 16 at Immaculate Conception Hall.

The motif of Christmas was highlighted by the tree which stood in the middle of the floor and the fireplace which was placed on the stage.

Many couples were seen warming themselves from the severe weather by cutting the rug throughout the evening.

Santa Claus arrived on the scene to present gifts to those who had been "good boys and girls."

Entertainment was provided by a singing quartet who specialized in calypso music. Ted Mason, a senior, pleased the party with several solos which included some folk songs.

Music for dancing was provided by the biggest name bands in the country, who, unfortunately, were unable to make a personal appearance, but did see to it that some records were on hand.

A special note of thanks was extended to Phil Seroczynski, president of the Student Council, and Liz Szelestey, chairman of the social committee, for the work they had done to guarantee the success that it was.
